

Jandakot Primary School Contributions and Charges 2023

The Jandakot Primary School Board has endorsed the schedule of Contributions and Charges for 2023:

1. Voluntary Contributions

The contribution parents and guardians are being asked to pay for 2023 is **\$60.00 per child** which equates to **\$1.50 per school week** for the year. Money collected is used directly for your child's education and supplements funding from other sources, including the State and Federal Governments.

These contributions will be used to provide additional resources for children to use, such as:

- ◆ Regular access to internet and apps to support learning areas
- ◆ Consumables
- ◆ Music, sporting and science resources
- ◆ Library books

We appreciate full or partial payment, and encourage periodical payments if you prefer:

- ◆ \$30.00 per semester
- ◆ \$15.00 per term
- ◆ \$ 5.00 per month

Methods of payment:

- With your Personal Items order if you purchase from Campion, who collect on behalf of the school. ***This is the school's preferred option.***
- Direct Deposit via the school bank account: **BSB: 016-268 Account: 3408 18933 – please use your child's name and VC as the reference.**
- Cash/Cheque Payment: via the drop box in the school office. Please complete a payment envelope and enclose the correct amount. You can pay for multiple children and/or charges in the one envelope. Please ensure all sections of the payment envelope are completed clearly.

Your decision to support the school's endeavours through payment of the voluntary contribution is greatly appreciated.

Payments can be made two months before the start of the school year, ie from 1 December 2022.

Payment at the beginning of the school year or as soon as possible enables maximum use of the money for that year.
